

Number of comments	Public Services
1	Adequate Beccles Medical centre facilities for the proposed expansion in population in town.
2	Must keep our hospital and grounds, More medical treatments closer to home (which means Beccles)
3	Retain out of hours facility! YES!
4	Do not allow neighbourhood policing to stop in favour of 'Response only' This means keep the level of available police in Beccles up from 2 PCSOs only
5	More police please
6	More services in Beccles South
7	Post Office facilities woefully inadequate for the present population let alone a larger one. Can they be improved?
8	Post box in Library or Roys
9	Re-open Beccles re-cycling centre
10	Recycling – Lowestoft is a long way
11	Dreadful delays at the post office. More/quicker staff needed urgently
12	Cleaner upgraded public toilets anybody coming to Beccles, they are a disgrace. It would pay in the long run
13	More visible policing to put a stop to the antisocial behaviour
14	Better location for Post Office! Why create chaos?!
15	Sort out the Quay toilets
16	Keep local hospital and blood clinic

17	Make sure there are accident and emergency services in Beccles including paramedics and ambulance service serve local area and relieve pressure on James Padget.
18	Recycling centre in Beccles
19	Re-open Beccles recycling centre
20	Clean / better public toilets
21	We should have more hospitals
22	Ensure Beccles hospital stays open and as many services retained as possible – especially phlebotomy.
23	Save hospital and MIU
24	Bring back the recycling centre having it in Lowestoft encourages dumping on own roads around our town.
25	Re-open the recycling centre in Beccles
26	Bring back the dump
27	To get a recycling centre in Beccles It's ridiculous having to drive to Lowestoft
28	Re-open Beccles recycling (It's ridiculous to have to drive all the way to Lowestoft)
29	Keep all community hospitals open i.e. Halesworth (closed) Southwold (closed) This would release beds at Gorleston
30	WE are very lucky to have Beccles medical centre
31	Protect current health services in Hospitals eg Beccles and in Surgeries
32	Keep Minor Injuries open

33	I agree bring back our recycling centre – old centre was to be parking for the Marsh Trail – This never happened so the old site free. Could be community run – I'm up for helping
34	Beccles hospital must remain open and offer inpatient and outpatient services. It is needed and relieves pressure at JPH, is better for environment as people needing to travel so far to visit relatives etc.
35	Save the blood test centre
36	Save hospital and minor injuries unit
37	Beccles medical centre provides an outstanding service to its patients, especially given the current state of the NHS generally. If we increase the local population it will be essential to put more money into BMC and local health services to maintain this high standard.
38	More health/hospital to go to.
39	Re-open Beccles recycling center
40	Open the recycling tip again please, even a small charge of £1 would be great thankyou
41	Keep Beccles hospital and re-instate MIU
42	Make keeping Beccles hospital open a priority
43	Keep the hospital services in Beccles
44	Save Beccles Hospital Please!!!
45	Please keep the hospital open..... Invaluable service while I was undergoing cancer treatment
46	Keep MIU and bloods at Beccles
47	Re-instate the recycling centre
48	Keep community hospital open

49	Re-open Minor Injuries Unit locally!
50	Keep the hospital
51	Re-open Beccles recycling centre
52	Could WDC stop whinging about lack of money and spend what they do have sensibly.
53	Beccles hospital should remain open and A and E should return
54	Retention and expansion of facilities at Beccles Hospital (eg. Need xray)
55	Encourage government to fund NHS properly from more tax on firms and industries
56	Beccles Hospital belongs to the community and should be left alone not taken over by people who think they know best. We have wonderful doctors who care and staff who care.
57	Bring back Beccles MIU
