

Number of concerns	Roads, pavements, Traffic and Parking
1	Parking Town Centre, More traffic Wardens or Community support officers. Once a month is not enough. PEOPLE PARK IRRESPONSIBLY
2	Weight and Speed Restrictions along London Road and Improved pavements.
3	Stop parking on Pavements and double yellow lines in Town
4	Mr Mayor, Could we have better traffic management on High Leas? Most vehicle speeding. How about 20 MPH all over the town – 25 MPH works very well in the USA Towns. What say you?
5.	Parking at the Station is minimal, It does not encourage use of the railway
6	People Crossing at Station Road
7	Pedestrian Crossing for people to get to Railway Station, traffic very heavy now.
8	Uneven pavements cause pedestrians to fall. London road Beccles needs new pavements. Bad road surfaces on Coney Hill, Beccles.
9	There is a large piece of unused land behind Beccles Tile Centre and Carpet Shop in Gosford road. Could that be used as a coach park for potential coach party visitors
10	Please..... A Carpark for Beccles Station
11	Please do something with the common lane Common carpark. It is in a bad state of repair. As you approach Beccles Railway Station from the West the Grassy and to the left should be used as an overflow car park for Beccles Railway Station. Finally Between Caxton Villa and the old pharmacy buildings could be used for car parking at Beccles War memorial hospital. Thanks!
12	More Parking at Station Please!
13	Bus stop in Exchange Square, not 400 yards away
14	Better transport to Norwich

15	More free parking
16	Pedestrian Crossing from station towards town
17	Improve traffic flow down Peddars Lane and Ingate, a roundabout?
18	A bypass for the town to ensure through traffic doesn't cause congestion
19	Parking at common lane on a Sunday is in crisis, too many people using facilities
20	20 MPH restriction a Blyburgate, Hungate and Ballygate and streets through town
21	One sided parking only in Ballygate (parking on both sides causes problems.
22	Removing bollard in Hungate Lane would 1. reduce congestion in Hungate. 2. Reduce Pollution due to need to drive extra mile and 3. Reduce stress for everyone
23	Maintain a good bus service for Beccles South residents
24	Speed! If a vehicle approaches lights above the speed limit – make them turn red
25	Ban Large lorries from the town centre –Dangerous for pedestrians
26	Either wider footways or slower traffic speeds
27	Parked vehicles on the path and road at top of the hill in Ingate area, Dangerous
28	Better access to the Station for pedestrians
29	20 MPH for town centre, pedestrian crossing Station road at Station end and Public Hall.
30	Grove Rd and Kilbrack parking need to become strong yellow lines to stop parking on the paths.
31	Be proud for a town for disabled people, repair pavements, kerb ramps, widen blyburgate path – too close to road, upgrade car parks.
32	Go back to the original plan for a 20MPH speed limit across the town centre. Safer,

	Stopping/Quieter Living
33	Speed cameras at Northgate and police 20MPH
34	Stop Parking on Pavement, Clean up car parks
35	Proper pedestrian crossing between sewing shop and Marmalade tree (newgate) Perhaps move Zebra crossing up?
36	Slower traffic measure down Black Boy Meadow during school runs, Parking permit in Black Boy meadow
37	Better Parking at Station.
38	Part fund a traffic warden – our town is being swamped by illegal parking no consideration for others!
39	Keep Big lorries out of Beccles
40	Better paths to walk on
41	Not enough parking areas. Why can we not have a free zone over half of Blyburgate Waveney just being greedy. Our Streets are awash with paving parking – no room for prams etc. Terrible.
42	Pedestrian crossing – Gosford Road
43	Speed bumps in Gosford Road and speed restrictions to 20 MPH
44	Pedestrianise centre of Beccles and put some trees in
45	More Parking at Beccles Station
46	Permit parking in Black boy meadow and road re-surfaced
47	Cheap long stay parking
48	Lorry Park / Park and ride facility. Use small vans to make deliveries in Beccles Town centre and shuttle buses. From a lorry park/park and ride close to southern relief road or Norwich Road, to reduce damage and pollution on our fragile town

	centre.
50	Better parking at Station
51	Pedestrian safety to be improved especially at crossroads at Old Market Newgate and Roundabout by Station road G.W Road.
52	Zebra Crossing to i) Keep pedestrians safe ii) discourage traffic from town centre.
53	Traffic warden or 2!
54	Pedestrian crossing at Beccles Station
55	Big push for the southern link road
56	Safe pedestrian crossing at the Station road (George Westward Way/Gosford road junction) for those walking from town to Beccles common especially for children and young people
57	Parking can be very difficult for residents in certain streets near to the town centre. Could we consider parking permits for those roads and perhaps limit the number of 'free' permits to two vehicles per household. Additional permits could be issued at a subsidised rate/charged to the business owner for residents who need to park commercial vehicles at their (registered) address?
58	One way traffic in ballygate and a 20 mile speed limit.
59	A mini roundabout at George Westwood Way / Tesco or traffic lights during peak times
60	How about putting double yellow lines at the junction of beech tree close and maybe try to improve the traffic situation going over the rail bridge (St. Georges road) away from town this is particularly bad during school pick up/ drop off times 😊☐
61	Overgrown floor paths esp. in Rigbourne Hill Lane
62	Southern Bypass now
63	Pedestrian crossing on Gosford road at the railway station

64	Traffic lights at the Tesco turn!
65	More dedicated cycle paths
66	Pedestrian crossing at crossroads by Public Hall
67	A better bus service for outlying villages between Halesworth, Bungay and Beccles
68	20 mph in Beccles
69	Any chance of traffic wardens!!!
70	Keep heavy traffic out of Beccles
71	Make St Georges rd one way – cars are too reckless coming over the bridge and up and down the hill
72	Extend 20 mile an hour zone to the whole of the town centre.
73	Re-instate slip road at Ingate Junction with peddars lane
74	We need a pedestrian crossing to get to the Railway Station
75	A zebra crossing over the main road to the station
76	Ellough Road industrial Estate, traffic should be made to use by-pass going through ingate/Ellough
77	Better pedestrian crossings, especially neat the sports centre and high school.
78	Improve cycle paths in the Beccles town centre
79	20mph limit for traffic in town centre
80	Carpark at the common – full of holes! Dangerous parking on a Sunday morning impossible! Dog walkers. Rugby, footballers, allotments, s park!
81	Pedestrians are in danger walking along the pavements – from passing wing mirrors.

82	20mph zone for Beccles
83	Better provision for cyclists and pedestrians – more cycle paths, one way streets and more courteous driving! 20's plenty in Beccles!!!
84	Crossing point on Gosford road for pedestrians
85	Ban large or smelly farm vehicles from Ellough Road
86	Make Beccles ACCESSIBLE!! It's 2017 not 1940's! Better diversity....
87	Common lane car park – over cattle grid – a danger to vehicles – deep holes.
88	Conservatives building has developed into a street parking spree! BAN the cars from parking there. Countless near misses! Remove speed meter camera!!
89	Less pollution!!!! More cycling, Yes!!
90	Pedestrian Crossing near railway crossing. Grove road.
91	More bike paths.
92	Better pavements, they are uneven round old parts of Beccles
93	Ellough road weight restriction and 20mph speed limit (especially by the school! Should be speed bumps) this is a problem NOW!!
94	If Northgate can have a 20 limit – why not schools and old peoples homes! Protect the vulnerable.
95	More 20mph speed limits in the town area.
96	Area beside Railway Station should be a car park for rail users and not a Care Home
97	Pedestrian crossing at the crossroads by Public Hall and Wool Shop
98	Make it easier to bike round Beccles. So hard to!!

99	No right turn out of Common Lane and Old Farm Road onto Grove Road
100	Make it easier to cycle around Beccles!
101	Pedestrianise Beccles town centre. Ban lorries and artics from town centre.
102	One way over bridge on St George's Road
103	Less Roadworks
104	Cut trees and shrubs overhanging paths on Darby Road, Kemps Lane and London Road
105	More free parking to help small businesses
106	Better cycle paths through Beccles – including through town centre
107	Keep traffic out of town centre and encourage cycling with decent facilities
108	More spaces to park in town
109	Get bus service from surrounding areas to go via Railway station – or as close as possible
110	Slow traffic down!!
111	Improve parking at Beccles Station
112	Enforce illegal and dangerous parking – town centre but also around the schools
113	Zebra crossings
114	More cycle paths/routes
115	Parking needs to be policed bring back traffic wardens
116	Free parking day to boost small business
117	Reduce speed on Ellough Road. People race from the traffic lights

118	Make Beccles more bike friendly
119	Stop illegal parking in Beccles town centre and encourage population to walk on pavements and to be traffic aware. Inc. Tesco car park!
120	20 all through the town centre. Well signed!
121	Make it easier to bike
122	Traffic wardens. Stop double yellow parkers. Annoying and dangerous
123	More cycle paths (able to accommodate tricycles)
124	Parking at station
125	Speed ramps should be put in place down Puddingmoor to stop rat running by motorists. Coaches can lift up to get over them
126	Parking at the train station
127	Build more roads and have a massive multi-storey car park in the town centre
128	Pedestrian crossing at Beccles Station
