

Feedback Form

Your organisation / groups name (optional).....River Waverley Trust

You can make any comment you like but as a start we would like to know the following: -

1. Is there anything you would change or anything you feel is missing from the Vision and Aims statement?
objective 7. and have a purpose built education and activity centre that the RWT and other like minded groups can use to educate young and old on the river, flora, fauna, invasive species, etc. Down the quay area or 12 add the RWT & their catchment partners. along the river.
2. What is the most important priority for you / your organisation in Beccles over the next 20 years.

Getting a building we can use as an education centre.

3. Do you have any other comment for the Neighbourhood plan in general?

Challenges.

Employment. We need to encourage our young people to come back and invest their time, energy & newly acquired skills once completing university.

You may wish to discuss the Vision and Aims document in your group / organisation.
