Website

The website is now fully built and up to date

Please check to see if all information, including all the evidence base is on website.

Thanks to David for getting this sorted.

Plan Development

David has spoken to Chris from Navigus

We want to start really pulling the plan together by September.

Chris is on holiday until 13 August. We need to supply all latest information as soon as he is back.

Chris suggests that non landuse statements are kept in the main narrative of the Neighbourhood Plan and not in a separate document or appendix.

The NP Introduction needs to set the context for the whole document.

David to draft something with Jenny and to send to all for comment

Policy Review

There was a discussion of policy notes drawn up over the last two meetings

Action points

Graham to try and get a list of brownfield sites from WDC. David to arrange a walk around these sites with NPOG members

Graham to get list of play parks in the town from WDC

Graham to enquire about any current proposals for the future development of Roys site from WDC

Graham to ask Dickon Povey to come to 4 September meeting. Chris Bowden will be at this meeting.

We need to be realistic when writing our policies but we must not lose sight of the strong views of the residents of the town

Vision and Aims

Need to revisit this at next meeting

Need to ensure focus on town centre.

Grant Application

We have got a grant of £6,342 this will be the last grant we get from Locality.
